Nothing contained herein shall be deemed or construed by the Hospital, the Vendor, or any third party as creating the relationship of principal and agent, master and servant, partners, joint ventures, employer and employee, or any similar such relationship between the Hospital and the Vendor. Neither the method of computation of fees or other charges, nor any other provision contained herein, nor any acts of the Hospital or the Vendor hereunder, creates or shall be deemed to create a relationship other than the independent relationship of the Hospital and the Vendor. Vendor's personnel shall not be deemed in any way, directly or indirectly, expressly or by implication, to be employees of the Hospital. Neither the Vendor nor its employees shall, under any circumstances, be considered servants, agents, or employees of the Hospital; and the Hospital shall be at no time legally responsible for any negligence or other wrongdoing by the Vendor, its servants, agents, or employees. The Hospital shall not withhold from the contract payments to the Vendor any federal or State of Mississippi unemployment taxes, federal or State of Mississippi income taxes, Social Security tax, or any other amounts for benefits to the Vendor. Further, the Hospital shall not provide to the Vendor any insurance coverage or other benefits, including Worker's Compensation, normally provided by the Hospital for its employees.

6. The Vendor warrants that it is a validly organized business with valid authority to enter into this agreement; that it is qualified to do business and in good standing in the State of Mississippi; that entry into and performance under this agreement is not restricted or prohibited by any loan, security, financing, contractual or other agreement of any kind, and notwithstanding any other provision of this agreement to the contrary, that there are no existing legal proceedings, or prospective legal proceedings, either voluntary or otherwise, which may adversely affect its ability to perform its obligations under this agreement.

7. If any term or provision of this agreement is prohibited by the laws of the State of Mississippi or declared invalid or void by court of competent jurisdiction, the remainder of this agreement shall be valid and enforceable to the fullest extent permitted by law.

8. The Vendor shall give Hospital prompt notice in writing of any action or suit filed, and prompt notice of any claim made against Vendor by any entity that may result in litigation.

9. The Vendor shall maintain such financial records and other records as may be prescribed by the Hospital or by applicable federal and state laws, rules, and regulations. Vendor shall retain these records for a period of three (3) years after final payment, or until they are audited by the Hospital, whichever event occurs first. These records shall be made available during the term of the contract and the subsequent three-year period for examination, transcription, and audit by the Mississippi State Auditor's Office, its designees, or other authorized bodies.

10. The Vendor agrees that Hospital shall determine the disposition of, the title to and the rights under any copyright by Vendor or employees on copyrightable material first produced or composed under this agreement. Further, Vendor hereby grants to Hospital a royalty-free, nonexclusive, irrevocable license to reproduce, translate, publish, use and dispose of, and to authorize others to do so, all copyrighted (or copyrightable) work not first produced or composed by Vendor in the performance of this agreement, but which is incorporated in the material furnished under the agreement. This grant is provided that such license shall be only to the extent Vendor now has, or prior to the completion of full final settlements of agreement may acquire, the right to grant such license without becoming liable to pay compensation to others solely because of such grant.

11. If either party is rendered unable, wholly or in part, by reason of strikes, accidents, acts of God, weather conditions or any other acts beyond its control and without its fault or negligence to comply with any obligations or performance required under this agreement, then such party shall have the option to suspend its obligations or performance hereunder until the extraordinary performance circumstances are resolved. If the extraordinary performance circumstances are not resolved within a reasonable period of time, however, the non-defaulting party shall have the option, upon prior written notice, of terminating the agreement.

12. This agreement may be terminated for convenience as follows:

A. The Hospital Director may, when the interests of the Hospital so require, terminate this contract in whole or part, for the convenience of the Hospital. The Hospital Director shall give written notice of the termination to the Vendor specifying the part of the contract terminated and when termination becomes effective.

B. The Vendor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination the Vendor will stop work to the extent specified. The Vendor shall also terminate outstanding orders and subcontracts and orders connected with the terminated work. The Hospital Director may direct the Vendor to assign Vendor's rights, title, and interest under terminated orders or subcontracts to the Hospital. The Vendor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

13. This agreement may be terminated for default as follows:

A. If the Vendor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract, or any extension thereof otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Hospital Director may notify the Vendor in writing of the delay or nonperformance and if not cured in twenty (20) days or any longer time specified in writing by the Hospital Director, such Director may terminate the Vendor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Hospital Director may

procure similar supplies or services in a manner and upon terms deemed appropriate by the Hospital Director. The Vendor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods and services.

B. Notwithstanding termination of the contract and subject to any directions from the Hospital Director, the Vendor shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Vendor in which the Hospital has an interest.

C. Payment for completed services delivered and accepted by the Hospital shall be at the contract price. The Hospital may withhold from amounts due the Vendor such sums as the Hospital Director deems to be necessary to protect the Hospital against loss because of outstanding liens or claims of former lien holders and to reimburse the Hospital for the excess costs incurred in procuring similar goods and services.

D. Except with respect to defaults of Subcontractors, the Vendor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by the Vendor to make progress in the prosecution of the work hereunder which endangers such performance) if the Vendor has notified the Hospital Director within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a Subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the Vendor shall not be deemed to be in default, unless the services to be furnished by the Subcontractor were reasonably obtainable from other sources in sufficient time to permit the Vendor to meet the contract requirements.

Upon request of the Vendor, the Hospital Director shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the Vendor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the Hospital under the clause entitled in fixed-price contracts, "Termination for Convenience – Paragraph 12," in cost-reimbursement contracts, "Termination". As used in this Paragraph of this clause, the term "Subcontractor" means Subcontractor at any tier.

E. If, after notice of termination of the Vendor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (D) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a

clause providing for termination for convenience of the Hospital, be the same as if the notice of termination had been issued pursuant to such clause.

F. The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

14. That notwithstanding any other provisions of this agreement between the parties, all activities and performances of the parties with respect to the equipment, or services herein shall be subject to all applicable laws, regulations, policies and procedures of the United States of America, or any agency thereof, the State of Mississippi or any agency thereof, or any local governments or political subdivisions, as now existing and as may be amended or modified, as well as in accordance with the standards of the Joint Commission (JC), that may affect the performance of services hereunder.

15. This agreement may be modified only by written agreement signed by the parties hereto. The parties agree to renegotiate the agreement if federal and/or State of Mississippi revision of any applicable laws or regulations make changes in this agreement necessary.

16. This agreement shall be governed by and construed in accordance with the laws of the State of Mississippi, excluding its conflicts of laws provisions, and any litigation with respect thereto shall be brought in the courts of the state. The Vendor shall comply with applicable federal and State of Mississippi laws, local laws and regulations.

17. All notices required or permitted to be given under this agreement must be in writing and sent by certified United States mail, postage prepaid, return receipt requested, to the party to whom the notice should be given at the address set forth below. Notice shall be deemed given when actually received or when refused. The parties agree to promptly notify each other of any change of address.

For the Vendor: Mr. Jake Turner, Chief Of Operations, Pallet Sale Services, Inc., 911 East Talbert Avenue, Jackson MS 39299

For the Hospital: Mr. James Chastain, Director, Mississippi State Hospital, Building 21, P.O. Box 1, Whitfield MS 39193

18. Failure of either party hereto to insist upon strict compliance with any of the terms, covenants, and conditions hereof shall not be deemed a waiver or relinquishment of any similar right or power hereunder at any subsequent time or of any other provision hereof, nor shall it be construed to be a modification of the terms of this agreement.

19. It is expressly understood and agreed that the obligation of the Hospital to proceed under this agreement is conditioned upon the appropriation of funds by the State of Mississippi Legislature and the receipt of State of Mississippi and/or federal funds. If the funds anticipated for

the continuing fulfillment of the agreement are at anytime not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the Hospital, the Hospital shall have the right upon ten (10) working days written notice to the Vendor, to terminate this agreement without damage, penalty, cost or expense to the Hospital of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

20. The Vendor acknowledges that it was selected by the Hospital to perform the services required hereunder based, in part, upon the Vendor's special skills and expertise. The Vendor shall not assign, subcontract or otherwise transfer this agreement in whole or in part without the prior written consent of the Hospital, which the Hospital may, in its sole discretion, approve or deny without reason. Any attempted assignment or transfer of its obligations without such consent shall be null and void. No such approval by the Hospital of any subcontract shall be deemed in any way to provide for the incurrence of any obligation of the Hospital in addition to the total fixed price agreed upon in this agreement. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the Hospital may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.

21. The Vendor understands that the Hospital is an equal opportunity employer and therefore maintains a policy which prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, genetic information, or any other consideration made unlawful by federal laws, State of Mississippi laws, or local laws. All such discrimination is unlawful and the Vendor agrees during the term of the agreement that the Vendor will strictly adhere to this policy in its employment practices and provision of services. The Vendor shall comply with, and all activities under this agreement shall be subject to, all applicable federal, State of Mississippi, and local laws and regulations, as now existing and as may be amended or modified.

22. Upon the termination of this agreement, Vendor will at its expense, on that date agreed upon by the parties, crate, insure and ship any vendor owned equipment, covered under this agreement, to a destination designated by the Vendor.

23. The Vendor represents that it has not retained a person to solicit or secure a Hospital contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except as disclosed in the Vendor's bid or proposal.

24. The Vendor certifies that the prices submitted in response to the solicitation have been arrived at independently and without - for the purpose of restricting competition - any consultation, communication, or agreement with any other offeror or competitor relating to those prices, the intention to submit a proposal, or the methods or factors used to calculate prices.

25. The bidder, offeror, or Vendor represents that it has not violated, is not violating, and

promises that it will not violate the prohibition against gratuities set forth in Section 6-204 (Gratuities) of the Mississippi Personal Service Contract Review Board Rules and Regulations.

26. The contract shall be governed by the applicable provisions of the Mississippi Personal Service Contract Review Board Rules and Regulations, a copy of which is available at 210 East Capitol, Suite-800, Jackson, MS 39201, for inspection, or downloadable at www.mspb.ms.gov.

27. The Hospital Director or designated Procurement Officer, may, by written order to the contractor at any time, and without notice to any surety, require the Vendor to stop all or any part of the work called for by this contract. This order shall be for a specified period not exceeding 90 days after the order is delivered to the Vendor, unless the parties agree to any further period. Any such order shall be identified specifically as a stop work order issued pursuant to this clause. Upon receipt of such an order, the Vendor shall forthwith comply with its terms and take all reasonable steps to minimize the occurrence of costs allocable to the work covered by the order during the period of work stoppage. Before the stop work order expires, or within any further period to which the parties shall have agreed, the Hospital Director or Procurement Officer shall either:

- A. Order to Stop Work.
 - (1.) cancel the stop work order; or
 - (2.) terminate the work covered by such order as provided in the 'Termination for Default Clause' (paragraph 13) or the 'Termination for Convenience Clause' (paragraph 12) of this contract.
- B. Cancellation or Expiration of the Order. If a stop work order issued under this clause is canceled at any time during the period specified in the order, or if the period of the order or any extension thereof expires, the Vendor shall have the right to resume work. An appropriate adjustment shall be made in the delivery schedule or Vendor price, or both, and the contract shall be modified in writing accordingly, if:
 - (1) the stop work order results in an increase in the time required for, or in the Vendor's cost properly allocable to, the performance of any part of this contract; and
 - (2) the Vendor asserts a claim for such an adjustment within 30 days after the end of the period of work stoppage; provided that, if the Hospital Director or Procurement Officer decides that the facts justify such action, any such claim asserted may be received and acted upon at any time prior to final payment under this contract.
- C. If a stop work order is not canceled and the work covered by such order is terminated for default or convenience, the reasonable costs resulting from the stop work order shall be allowed by adjustment or otherwise.
- D. Any adjustment in contract price made pursuant to this clause shall be determined in accordance with the Price Adjustment Clause (paragraph 28) of this contract.

28. Any adjustment in contract price pursuant to a clause in this contract shall be made in

one or more of the following ways:

- A. by agreement on a fixed price adjustment before commencement of the additional performance;
- B. by unit prices specified in the contract;
- C. by the costs attributable to the event or situation covered by the clause, plus appropriate profit or fee, all as specified in the contract; or
- D. price escalation clause.

The Vendor shall provide cost or pricing data for any price adjustments subject to the provisions of Section 3-403 (Cost or Pricing Data) of the Mississippi Personal Service Contract Procurement Regulations.

29. This agreement, including all contract documents, represents the entire integrated agreement between the parties hereto and supersedes all prior negotiations, representations or agreements, irrespective of whether written or oral. This agreement may be altered, amended, or modified only by a written document executed by the Hospital and Vendor. Vendor acknowledges that it has thoroughly read all documents and has had the opportunity to receive competent advice and counsel necessary for it to form a full and complete understanding of all rights and obligations herein. Accordingly, this agreement shall not be construed or interpreted in favor of or against the Hospital or Vendor on the basis of draftsmanship or preparation hereof.

30. Subject to other terms and conditions of this agreement, in the event the Vendor defaults in any obligations under this agreement, the Vendor shall pay to the Hospital all costs and expenses (including, without limitation, investigative fees, court costs, and attorney's fees) incurred by the Hospital in enforcing this agreement or otherwise reasonably related thereto. The Hospital, after due oral or written notice, may procure the services from other sources and hold Vendor responsible for any resulting additional purchase and administrative costs. Vendor agrees that under no circumstances shall the Hospital be obligated to pay any attorney's fees or costs of legal action to the Vendor.

31. To the fullest extent allowed by law, the Vendor shall indemnify, defend, save and hold harmless, protect, and exonerate the Hospital, its Commissioners, Board Members, officers, employees, agents, and representatives, and the State of Mississippi from and against all claims, demands, liabilities, suits, actions damages, losses, and costs of every kind and nature whatsoever, including, without limitation, court costs, investigative fees and expenses, and attorneys' fees, arising out of or caused by the Vendor and/or its partners, principals, agents, employees and/or subcontractors in the performance of or failure to perform this agreement. In the Hospital's sole discretion, the Vendor may be allowed to control the defense of any such claim, suit, etc. In the event the Vendor defends said claim, suit, etc., the Vendor shall use legal counsel acceptable to the Hospital; The Vendor shall be solely responsible for all costs and/or expenses associated with such defense, and the Hospital shall be entitled to participate in said defense. The Vendor shall not settle any claim, suit, etc. without the Hospital's concurrence, which the Hospital shall not unreasonably withhold.

32. If, at any time during the contract term, the service performed or work done by the Vendor is considered by the Hospital to create a condition that threatens the health, safety, or welfare of the patients and/or employees of the Hospital, the Vendor shall, on being notified by the Hospital, immediately correct such deficient service or work. In the event the Vendor fails, after notice, to correct the deficient service or work immediately, the Hospital shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of the Vendor.

33. Confidential information shall mean (a) health records/medical records, materials, documents, data, and other information which the Hospital has designated as proprietary and confidential, and (b) all data and information which the Vendor acquires as a result of its contact with and efforts on behalf of the Hospital and any other information designated in writing as confidential by the State of Mississippi. Each party to this agreement agrees to protect all confidential information provided by one party to the other; to treat all such confidential information as confidential to the extent that confidential treatment is allowed under State and/or Federal law, and, except as otherwise required by law, not to publish or disclose such information to any third party without the other party's written permission, and to do so by using those methods and procedures normally used to protect the party's own confidential information. Any liability resulting from the wrongful disclosure of confidential information on the part of the Vendor or its Subcontractor shall rest with the Vendor. Disclosure of any confidential information by the Vendor or its Subcontractor without the express written approval of Hospital, shall result in the immediate termination of this agreement.

34. Any reference in the contract to "Mississippi State Hospital" or "MSH" or "State" is considered to be the same reference as "Hospital", as stated on line two (2) of page one (1) of the contract.

35. Vendor agrees to comply with the Administrative Simplifications provisions of the Health Insurance Portability and Accountability Act of 1996, including electronic data interchange, code sets, identifiers, security, and privacy provisions, as may be applicable to the services under this contract.

36. Each party to this agreement agrees not to employ or to solicit for employment, directly or indirectly, any persons in the full-time or part-time employment of the other party until at least twelve (12) months after this agreement terminates unless mutually agreed to in writing by the Hospital and the Vendor.

37. Payments by State of Mississippi agencies using the Statewide Automated Accounting System (SAAS) shall be made and remittance information provided electronically as directed by the State of Mississippi. These payments shall be deposited into the bank account of the Contractor's choice. The State of Mississippi may, at its sole discretion, require the Contractor to submit invoices

Miss. Code Ann. 71-11-1 et seq. (1972, as amended). The term "employee" as used herein means any person that is hired to perform work within the State of Mississippi. As used herein, "status verification system" means the illegal Immigration Reform and Immigration Responsibility Act of 1996 that is operated by the United States Department of Homeland Security, also known as the E-Verify Program, or any other successor electronic verification system replacing the E-Verify Program. Contractor agrees to maintain records of such compliance. Upon request of the State and after approval of the Social Security Administration or Department of Homeland Security when required, Contractor agrees to provide a copy of each such verification. Contractor further represents and warrants that any person assigned to perform services hereafter meets the employment eligibility requirements of all immigration laws. The breach of this agreement may subject Contractor to the following: (a) termination of this Agreement and ineligibility for any state or public contract in Mississippi for up to three (3) years, with notice of such cancellation/termination being made public, or (b) the loss of any license, permit, certification or other document granted to Contractor by an agency, department or governmental entity for the right to do business in Mississippi for up to one (1) year, or (c) both. In the event of such termination/cancellation, Contractor would also be liable for any additional costs incurred by the State due to contract cancellation or loss of license or permit to do business in the State.

39. Contractor agrees to accept all payments in United States Currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. Miss. Code Ann. 31-7-305 (1972, as amended).

40. This contract, including any accompanying exhibits, attachments, and appendices, is subject to the "Mississippi Public Records Act of 1983," and its exceptions. See Miss. MISSISSIPPI DEPARTMENT OF FINANCE AND ADMINISTRATION
ADMINISTRATIVE RULE
MANDATORY ELECTRONIC PAYMENT OF VENDORS

I. General Purpose.

- A. The Mississippi Department of Finance and Administration (DFA) serves as the primary executive branch agency for fiscal management. Under §7-7-41, the State Fiscal Officer has the authority to prescribe rules and regulations concerning the issuance of warrants and other forms of payments for all departments, institutions and agencies of the state. This rule, unless otherwise noted, is to set as the standard that vendors of the State of Mississippi shall be paid electronically and shall be provided the supporting remittance detail by electronic means.
- B. This rule is a means for reducing the costs to produce paper warrants and remittance advices. The State has documented significant savings in the move to electronic payment and remittance. The State avoids the costs associated with printing, sorting, distributing, copying, and mailing warrants. Additionally, the State has determined that there are reduced opportunities for fraud and lost payments under this means of payment and remittance.
- C. Vendors benefit by receiving notification of pending deposits of funds and have options for interfacing the remittance data from the State into their accounts receivable systems.

II. Definitions.

- A. ACH: Automated Clearing House. Affiliated with the U. S. Treasury and the Federal Reserve System and used as the conduit for electronic payments and collections.
- B. EFT: Electronic Funds Transfer. Electronic Funds Transfer (EFT) provides for electronic payments and collections. EFT is safe, secure, efficient, and less expensive than paper check payments and collections. Issuance costs for EFT payments are approximately 80% less than the cost to issue the same payment on a paper warrant. EFT transactions use the ACH network associated with the Federal Reserve System.
 - 1. The State of Mississippi uses "standard EFT" for transferring funds to employee bank accounts for direct deposit of payroll payments and for some transfers to checking accounts of State agencies.
 - 2. The State uses expanded EFT in the transfer of funds and remittance information using PayMode™. The State has established PayMode™ as the default payment method for those payments and transfers requiring supporting remittance information.
- C. E-payment vehicle: Tool that captures the payment and remittance information and pushes it electronically to the designated vendor from the source system (SAAS or SPAHRS). The ACH is used to move the funds while a proprietary system is used to provide access to supporting remittance data and notification of the availability of funds to the State's vendors.
- D. Existing Agreements: Individual agreements in place for the acceptance of electronic

payments prior to the implementation of this policy.

- E. PayMode™: A Bank of America product, PayMode™ is the State's present e-payment vehicle.
- F. SAAS: Statewide Automated Accounting System.
- G. SPAHRs: Statewide Payroll and Human Resource System.
- H. Vendor payments: Payments initiated and approved by State Agencies for various goods and services or as used to transfer funds to other governing authorities such as school districts, cities, and counties.

III. Requirements for Transitioning to E-payment Vehicle

- A. All existing vendors presently set up for payment through standard EFT, unless otherwise approved as an exemption, must be enrolled in PayMode™ not later than April 1, 2006.
- B. All vendors established as new vendors in the State Automated Accounting System (SAAS) as of April 1, 2006 must be established for e-payment and remittance via PayMode™.
- C. All remaining SAAS and SPAHRs vendors, unless specifically exempted, must convert to PayMode™ by July 1, 2006.
- D. To register for PayMode™, vendors should go to the Bank of America's™ enrollment website at <http://www.bankofamerica.com/paymode/ms>.
 - 1. Vendor must have a valid email address in order to enroll with PayMode™. This email address can be obtained through one of the free email services such as Yahoo or Hotmail.
 - 2. Vendor must have access to a computer. As computers are generally accessible in all businesses as well as in Public Libraries or other public forums, no exemption will be granted for having only limited or no access to a computer.
 - 3. Vendor may request assistance in enrolling with the State's e-payment service provider by contacting mash@dfa.state.ms.us or by calling MASH at (601) 359-1343.

The exemption application must detail the following:

 - (2) Documentation of supporting costs and legal issues to be born by the vendor if they are required to receive payment electronically.
- What should I do if I change banks?
A vendor may change/update banking information by simply logging into PayMode at www.bankofamerica.com/paymode/mississippi and accessing the Administration option. If assistance is required, you may contact PayMode toll free at 1-866-252-7366.
- Will PayMode be able to provide an electronic file of all payments received from the state that can be loaded into our Accounts Receivable System?
Yes. You may contact PayMode toll free at 1-866-252-7366 for further details.
- I am used to getting detailed remittance information with my paper check. Can PayMode provide these same details about the payment?
Yes, by logging into PayMode, vendors will have access to detailed payment information, providing the same payment voucher (PV) information that is normally received with a paper warrant. You can then print this information for your records if a printed copy is needed.
